Great River Arts Association to present **GALACTIC COWBOY ORCHESTRA**

As part of the on-going CONCERTS IN THE PARK series, Great River Arts Association presents the ***Galactic Cowboy Orchestra*** at Maple Island Park Sunday, June 28, 3:00 pm.

The Galactic Cowboy Orchestra is a powerful musical experience like none other. The four-piece ensemble plays an eclectic mix of original and traditional country-edged, jazz/fusion instrumental pieces. Their music is Chick Corea meets The Dixie Dregs meets *A Prairie Home Companion*. The mix ranges from highly accessible bluegrass tunes to extreme arrangements of East Indian ragas. The instrumentation includes guitar, fiddle, bass and drums.

The widely versatile instrumentals are accessible to music-lovers of all ages! The Galactic Cowboy Orchestra is in the process of recording their first album, with an expected release date for late spring of 2009.

The concert is free and opened to the public. A free will donation is asked and it goes directly to the performers. So bring your lawn chairs, or blankets, and friends and join us for this very exciting band this week.
